

White Wine List

Bringing quality and value to your table has always been our goal. Our wine selections represent what many consider some of the finest wines in the world. Some are famous and some are our great finds.

Our dinner menu is classic American with a touch of the South. The New Orleans offerings have roots with a French influence. We hope you enjoy and explore the bridge we have tried to create between our wine list and menu.

WHITE WINE FEATURE

Frescobaldi 2024 Pomino Bianco 12 / 44

An Italian blend of Chardonnay and Pinot Bianco. This combo offers a nice mouthfeel with good body, not as big as Chardonnay... but also some crisp acidity like green apple and subtle citrus.
